

NODAK ELECTRIC COOPERATIVE, INC.  
Grand Forks, North Dakota

Policy Bulletin No. **501.5**

**RATES AND REQUIREMENTS**

**Nodak-Owned Outdoor Lighting Rate:**

The Cooperative shall install, own, provide power, and service the lights included in this rate. The installation shall utilize an existing transformer to provide secondary service.

If a dedicated transformer is required, the member shall pay an aid to construction to cover the installation expense, be billed a monthly facility charge and pay the applicable monthly rental lighting charge below.

**Street Lighting:**

\$3.50 per month per account. This charge will be added to all other charges for service to cover the cost of street lighting in those areas where a majority of the members request street lighting under the terms and conditions of Policy Bulletin No. 405.

**Rental Lighting:**

\$9.00/Mo. for each 40-watt LED  
\$12.50/Mo. for each 73-watt LED  
\$18.50/Mo. for each 100-watt LED

Refer to Policy Bulletin No. 203 for Cooperative-owned and member-owned lighting program details.

Refer to Policy Bulletin No. 405 for street lighting service to towns, villages, and residential areas served by the Cooperative.
